Title: Joint Standards for Assessing the Diversity Policies and Practices of Entities Regulated by the Agencies and Diversity Self-Assessment Template for OCC-Regulated Entities.

OMB Control No.: 1557-0334.

Abstract: This information collection sets forth standards for OCC-regulated entities to voluntarily self-assess their diversity and inclusion policies and practices and includes a template to assist with the self-assessment. The template is now a PDF fillable form, which replaces the current Excel spreadsheet template. No other substantive changes were made to the template. The template (1) asks for general information about a respondent; (2) includes questions and solicits comments for certain standards about

program successes and challenges; (3) asks for a description of current practices for the self-assessment standards; (4) seeks additional diversity and inclusion data; and (5) provides an opportunity for a respondent to provide other information regarding or comment on the self-assessment of its diversity and inclusion policies and practices. The OCC may use the information submitted to monitor progress and trends in the financial services industry regarding diversity and inclusion in employment and contracting activities and to identify and highlight diversity and inclusion policies and practices that have been successful. The OCC will continue to reach out to the entities it regulates and other interested parties to discuss diversity and inclusion in the financial services industry and share leading practices. Finally, if an OCC-regulated entity submits confidential commercial information that is both customarily and actually treated as private by the entity, the entity can designate the information as private, and the OCC will treat the self-assessment information as private to the extent permitted by law, including the Freedom of Information Act, 5 U.S.C. 552, *et seq.*

Comments: On September 8, 2022, the OCC published a 60-day notice for this information collection, (87 FR 55082), in response to which the OCC received no comments. Comments continue to be solicited on:

(a) Whether the collection of information is necessary for the proper performance of the functions of the OCC, including whether the information has practical utility;

(b) Whether the OCC has accurately estimated the information collection burden;
